TRACY LYNN BOUCHER, 48

Heaven welcomed a special soul this past weekend; Tracy Boucher passed away on April 5, 2025 in Anaconda, Montana.

Tracy was born and raised in Butte, Montana and was the youngest of two kids. She was very girlish from the beginning, always taking great pride in her fashion and beauty, which earned her the nickname of Girlie. Girlie was joyful and lighthearted, known for her fun-loving spirit and unwavering passion for children. Her journey led her in different directions and while she dabbled in various professions, her path always led back to caring for others.

Girlie's patience and calm demeanor were evident in every aspect of her life. She married young and was blessed with four beautiful daughters, who were undoubtedly her greatest accomplishment. As a mama, Girlie's love for fashion and makeup trickled down to her daughters. She would let her girls play dress up in her clothes, wear her heels, and do their makeup. She would spend countless hours playing with her girls, giving them her undivided attention. Her daughters were her pride and joy. She was blessed later in life with three wonderful granddaughters, which continued to fill her heart with pride.

Her family fondly remembers Girlie as a strong, yet gentle person who was willing to help others whenever she could. Her passion for cleanliness and tidiness are instilled in her daughters, which makes for a good laugh from time to time. She maintained a small circle of close friends, whom she held dear to her heart.

Girlie's legacy of love, patience, and joy will continue to live on through her daughters and granddaughters and all those who were fortunate enough to know her. She will be deeply missed by them all.

Girlie is survived by her parents, Mark and Elsie (Peltomaa) Baszler; brother Mark Baszler, Jr; daughters Brianna (Boucher) Vesco, Amber (Boucher) Russell, Kaitlyn and MARRISA Boucher; granddaughters Rowan, Rilyn and Rynli Vesco. She will be greatly missed by her many aunts and uncles, her nephews and niece, and her large extended family and friends.

A celebration of Girlie's life will be held this summer.
